## Christian Teachers in Christian Schools

A Continuing Education Childhood Development certificate program taught by Dr. Cindi Quarles, D.RS  
To give you more insight and "compassion to understand and solve Children's Behavioral Challenges"

## Cindi Quarles, D.R.S

Dr. Cindy has spent a lifetime in childhood education. In 2024 she graduated at Promise Christian University with a Doctor of Religious Studies degree with an emphasis in Childhood education.

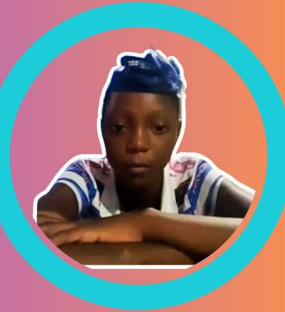

She has always wanted to teach children and for the past 20 year she has been involved in teaching, mentoring and tutoring special needs children and is an expert in early education.

Her faith in the Lord Jesus Christ has also played a very big part in her success with special needs children.

This is the first time we are offering this course at Promise Christian University. All educators who teach children in Pre-school, K-6 are especially welcomed!.

## MIRACLE IN THE CLASSROOM

Deliverance  
Divine Transformation

"Teaching is a calling from God." Miracles do happen in the classroom everyday! Dr. Cindi will share with you some of the miracles she has had in her classroom.

**We believe that Christian Schools and Christian School Educators are making a difference in our society.**

**"We expect teachers to reach unattainable goals with inadequate resources. The miracle is this: they often do."**

**– Haim Ginott**
